5

To: Tracie

From: Rachel

Looking forward to your party on Saturday. I have classes till late at school, so I won't be there till 8.00 p.m. I won't need any dinner - I'll get a takeaway.

- ☒ A The party starts at 8.00 p.m.
☒ B Rachel will eat before the party. ✓
☐ C Rachel will be at school till 8.00 p.m.

Reading Part 5

6 / 6 pts

For each question, **choose the correct answer.**

Chess

Chess has been popular for hundreds of years around the world, but it probably began in northern India in the sixth century, when people played a form of the game (21) A chaturanga. Though various other games (22) C before this, experts think chaturanga was (23) B to chess because it had different pieces with different powers, including a king playing a central (24) D. Knowledge of the game gradually spread from India to other regions, with the first written records (25) A in stories from Persia at the beginning of the seventh century. There were different ways of playing the game from one country to another. However, in Europe during the fifteenth century, the (26) B were changed to make chess a faster and more exciting game. The powerful queen was introduced and 'checkmate' became a far more common result. These changes were the start of the modern game.

Choose the correct option in italics.

Hi Tamsin,

Sorry I've taken so long to reply. In your last email, you asked what was happening with my friends, so here's my news. Lucas was disappointed (1) *of / on / with* his first-year exam results at university so he's working harder now, but I think he's getting tired (2) *about / of / on* studying all the time. He usually goes out in the evenings, so he must be getting very bored (3) *with / on / about* life. Natalie is still very keen (4) *of / on / with* football and is quite proud (5) *on / with / of* the two goals she scored last Saturday. However, she can't play next week so she's sad (6) *about / of / with* that. Claire is crazy (7) *on / with / about* music and a local band has asked her to sing with them at a concert next Friday. She's really nervous (8) *on / about / with* singing in front of all those people, but I don't think she should be frightened (9) *with / of / on* doing it. I've told her that some people will be jealous (10) *of / on / about* her!

Well, that's all for now.

Lots of love,

Bastian

Grammar point: adjectives with *-ed* and *-ing*

4.5 / 5 pts

Underline the correct form.

There are some students who feel depressed / *depressing* by studying, especially subjects which they find *confused* / confusing. They often leave their work until the last minute, and then find the amount they have to do is simply *exhausted* / exhausting, or they are embarrassed / *embarrassing* to admit that they need help.

They simply become more and more worried / worrying, and then work even less than before. Or they blame the school system, because the subjects that they are studying are just not interested / interesting.

However, you may be surprised / surprising to know that very few students feel this way, according to recent research. In fact, most students don't find school work annoying / annoyed at all. They are usually excited / exciting by the subjects they are studying, and they feel satisfied / satisfying when they do something well.

Grammar point: adjectives with -ed and -ing

8.5 / 9 pts

Read this text. Choose the most suitable answer for each space. Choose between -ed and -ing adjectives.

exhausting / exhausted	exciting / excited	tiring / tired
frustrating / frustrated	amazing / amazed	relaxing / relaxed
challenging / challenged	impressing / impressed	rewarding / rewarded

Last weekend, I went on a 1. amazing (✓) hike with some friends. The trail was long and steep, and at first, I felt really happy and was 2. excited (✓) to start. However, after a few hours, I became 3. exhausted (✓) and 4. frustrated (✓) because the path seemed never-ending and the hike was difficult.

Even if we were all feeling 5. tired (✓), and wanted to stop for a while and rest, we kept going. The view at the top was absolutely 6. impressing (✓) I was 7. rewarded (0.5) (with) impressed by the landscape, and by how beautiful the scenery was, with the mountains and rivers stretching out below. We all agreed it was worth the effort.

On the way down, I felt much more 8. relaxed (✓) because I knew that we had completed such a difficult hike. The experience was 9. challenging (✓) and it made me feel proud of what we achieved.

Vocabulary for PET: Correct or Incorrect?
